Personal Railway News.

The belief strengthens that pending negotiations will result in the Big Four securing control of not only the Chicago & Eastern Illinois, but also of the Evansville & Terre Haute, the Vanderbilts and their friends having secured large holdings of

the stock of both interests.

Extensive Improvements Planned. Traffic over the Panhandle lines has increased to such an extent that the officials of the Pennsylvania have given authority to the officials of the lines west of Pittsburg to expend money liberally to bring the property up to the high standard of the lines east of Pittsburg. The lines west of Pittsburg are to be placed in better shape for fast passenger and freight traffic, so that it will be possible to make the runs beween Pittsburg and Chicago and Pittsburg and St. Louis in two hours less time than is consumed by the fast trains at present. The work planned for the Panhandle will be very expensive in its nature, as deep cuts and heavy fills will be necessary. Two big projecting spurs of the West Virginia mountains will be cut through to provide a straight course for four main tracks. At Colliers the old main line will be abandoned for a considerable distance and two of the worst curves on the Panhandle modified so that unlimited speed will be the rule from Dinsmore summit down to the Ohio river.

Rates for Knights Templars.

Rates for the big triennial conclave of the Knights Templars, to be held in Louisville, Ky., Aug. 27-31, were agreed upon by the general passenger agents of the roads operating in the territory east of Chicago. The fares decided upon will apply from all east of the Mi west of Pittsburg and Buffalo, and are as follows: One fare for the round trip from all points in the territory named; twothirds of the regular fare from points east of Buffalo and Pittsburg, known as trunk line and New England Association territory. The tickets will be on sale from Aug. 24 to 28, inclusive, and will be open to the public.

most attractive suburbs of Chicago. One official of the Big Four has fifty shares of stock of the company which he urchased at \$22 per share some years ago. It is now selling at \$76.50 per share and bids fair to go to par within a few months. The lines operating between Pittsburg and Cleveland are, it is stated, indulging in rate cutting on passenger business, and it is feared it may extend to the Pittsburg

BRIDGE COMPANY SUES.

The Hoosier Company Anxious for Its Money-Other Cases.

The Hoosler Bridge Company yesterday brought suit against the city of Indianapolis for \$1,500, which the company claims is due for paving the bridge over Fall creek, at Illinois street, between the street car company's tracks. The bridge company was awarded the contract for building the bridge for \$50,900, a part of the contract being that it should pave the floor with wooden block. The bridge was completed of the street car company. The franchise of the street car company specifies that it streets are improved. The company presented a bill to the city for payment for paving between the tracks, and it is averred that the street car company also refused to pay it. The complaint says that the city cannot free the street car company from the responsibility of paying for the paving, as the charter makes that provision and is binding.

High Court Decisions. The appeal of Timothy T. Overshiner, of Marion, Ind., charged and fined for practicing as a dentist without a license, on the ground that the conferring upon the State Dental Association the power to issue or withhold licenses was unconstitutional, was yesterday decided by the Supreme Court adversely to appellant. The suit of Edith Coan against Clara B. Hinkle and others to contest the will of Leonard Hinkle was dismissed in the Circuit Court, yesterday, because one of the important defendants in the case could not be found. Hinkle was married twice, his first wife being divorced. Mrs. Coan was a daughter of the first wife and alleged that her father was unduly influenced by his second wife when he made his will, which cut her off with \$5 in cash. A life interest in a piece of property was left to a minor son, Truman Hinkle, and the remainder of the property went to his widow. Truman Hinkle could not be found and the suit was dismissed to allow the parties to compromise. It was settled by Mrs. Hinkle paying Mrs. Coan \$75 and bearing half the costs.

MURBARGER THE WINNER.

He Defeats Jake Snyder, of Dayton, in a Wrestling Match.

Sam Murbarger won the wrestling match from Jake Snyder, of Dayton, at the Empire last night in two straight falls, in fifteen and eight minutes, respectively. A fair-sized crowd witnessed the contest, which was preceded by an amateur entertainment of vaudeville acts and a ten-minutes' wrestling exhibition by Roy Clark and Ed Powers. The stage was crowded by but surely the women will be quickened by the usual number of young fellows who stand far enough out from the wings that the people in the auditorium can see them and imagine that they are "Billy Bradys," "Lou Housemans" or other promoters. Murbarger went on the mat weighing 161 bounds, while Snyder was two pounds heavier. Preceding the match there were the usual speeches and challenges by other wrestlers. A man named Barnes wanted to bet \$100 that neither Snyder nor Murbarger could throw him twice in an hour. Murbarger said he would take the bet. Herb Hale challenged the winner. Tom Browser

was selected as referee. When Snyder and went to the mat. Murbarger was on the I the women not to go out on their smashin places, but the Dayton man worked out of danger. Finally Murbarger secured Snyder's right arm in a hammerlock and twisted him on his back. Murbarger secured a better hold and pinned his opponent to the floor.

In the second bout Snyder tried to take the offensive, but Murbarger would not allow him to do so. After wrestling about eight minutes Murbarger secured another dangerous hammerlock and placed Snyder on his back. The latter tried to bridge himself, but Murbarger placed his weight on Snyder's shoulders and forced him to the floor, winning the match.

HIGH SCHOOL GIRLS WIN.

They Defeat the Y. W. C. A. Girls in

Basketball Game. The basket ball game last night between the Y. W. C. A. in the presene of a large crowd of enthusiastic rooters, who lost no opportunity to applaud the good plays which were frequently made. The High School girls took the lead from the start and continued to do so during the course of the game winning by a score of 19 to 4. The first half was interrupted by the rough playing of some of the girls, the Y. W. C. A. girls declaring that their opponents were "slugging," and threatening to withdraw if this feature were not eliminated. After a long wrangle it was decided to use four umpires during the rest of the game. After this there was no interruption. At times the High School girls played a brilliant game and gave several exhibitions of excellent team work. Miss McCaslin distinguished herself by throwing four difficult field goals, as did also Miss Maxwell. Miss Purvis likewise did some good work for her side, and did much to keep the Y. W. C. A. team from being shut out. The players and their positions follow:

ACTION TAKEN BY THE PRESIDEN OF THE NATIONAL W. C. T. U.

MRS. NATION INDORSED

Work of Crusaders in Kansas-Masked Women Who Are Liable to Pen-

itentiary Sentences.

CHICAGO, Feb. 15.-Mrs. L. M. N. Stevens, president of the W. C. T. U., has sent the following message from her home in Maine to Mrs. Caroline Grow and Mrs. Chapin, editors of the Union Signal, the official organ: "Print as many good things as you can of Mrs. Carrie Nation; she certainly has accomplished much." It was the first indorsement that has been given Mrs. Nation by the W. C. T. U.'s officers. Mrs. Nation wears a white ribbon, but she said at Willard's Hall Wednesday night: "I haven't much use for the white ribbon and not so very much for the W. C. T. U. They would not help me along with my

work. They are too slow.' "The indorsement, if we interpret it that way, was given cautiously," said Mrs. Grow, "as Mrs. Stevens is studying Mrs. Nation and her methods. Truly her work in Kansas is remarkable, and the entire W. C. T. U. is now recognizing it. "Do you think Miss Willard would have approved of Mrs. Nation.' By all means she would have liked her work in Kansas.' "I think the W. C. T. U. in Chicago is be-

all too apathetic. I doubt if there will be any bands of home defenders formed here, the Mrs. Nation spirit."

Condemned by Mrs. Nation. TOPEKA, Kan., Feb. 15 .- To-day was the limit fixed by the citizens' committee for the joints to go out of business. As far as can be learned the orders of the citizens have been observed.

Mrs. Nation, in an interview to-night, condemned the action of the secret organ. ization of men in Topeka which has closed up the joints. She said the closing would only be temporary, and that the women Murbarger shook hands they jumped | could have made a much better job of it. aggressive most of the time, and worked | tour on the night of the 7th. She has called rapidly. He had Snyder in several bad a meeting of the home defenders for tomorrow, at which matters will be discussed.

Done by Masked Women.

GOFFS, Kan., Feb. 15.-Fifteen masked women broke into the Missouri Pacific freight depot here to-night and destroyed fifteen jugs of whisky and four kegs of beer. Breaking into a freight depot is a penitentiary offense and the Missouri Pac'fic officials announce that detectives will be brought here to work up the case. The women raided all of the wednesday and a determined fight against the saloons has been kept up since then.

With Axes and Hatchets.

PERRY, Kan., Feb. 15 .- Fifteen women, followers of Mrs. Nation, this evening, with axes and hatchets, wrecked several joints. The last visit, which was to a drug store, ended in one of the women being severely burned by breaking a bottle of carbolic acid over her hand. The sum total of the raid was twenty barrels of whisky, sixtytwo kegs and twenty cases of beer turned into the street and \$800 worth of fixtures

Smashed the Buildings. WICHITA, Kan., Feb. 15 .- At Peck, a small place in Sedgwick county, fourteen miles south of here, one hundred men. women, boys and girls last night made a raid on two joints and ordered the pro-prietors out. Being refused, they smashed the buildings, delivering all goods at the depot platform in a whole condition. The goods were shipped to Wichita to-day.

Headed by the Ministers. TOPEKA, Kan., Feb. 15.-To-day at Olpe,

Kan., a large troop of women, headed by the ministers of the town, waited upon the jointists and gave them just fifteen minutes to close. The women were armed with batchets and threatened to smash the fixtures. The jointists did not wait to parley, but immediately closed. The same process was repeated at Cottonwood Falls. Eighteen "Joints" Enjoined.

Cold Storage Company. The cases will come up at the next term of court. Hard to Take Seriously.

The New York Evening Post waxes daily more furious with the people whom it calls 'imperialists," because they do not take Mark Twain seriously. It is true that a good many of Mark Twain's old friends would prefer to think him "fooling" than
